Translated Safety Warnings

For translated safety warnings, refer to the safety warning document that shipped with your access point or that is available on Cisco.com.

To browse to the document on Cisco.com, follow these steps:

Step 1 Click this link and go to the Cisco Wireless documentation home page:

http://www.cisco.com/en/US/products/hw/wireless/index.html

Step 2 Click **Support** and the Support and Documentation page displays.

Step 3 Click **Wireless** in the Find Product Support column.

Step 4 Click **1550**.

Step 5 Click **Install and Upgrade**.

Step 6 Click **Install and Upgrade Guides**.

Step 7 Click **Translated Safety Warnings for Cisco Aironet 1550 Series Outdoor Mesh Access Points**.
