

# CPS Documentation Map, Release 18.4.0 (Restricted Release) (1)

**First Published:** 2018-09-14

**Last Modified:** 2019-03-15

## Access Network Discovery and Selection Function (ANDSF)

*Table 1: ANDSF Documentation Map*

Information Type	Document	Description
Overview information	<a href="#">CPS ANDSF Configuration Guide</a>	Provides an overview of ANDSF and use case information.
Installation procedures	<a href="#">CPS Installation Guide for OpenStack</a>	Describes installation procedures for OpenStack environment.
	<a href="#">CPS Installation Guide for VMware</a>	Describes installation procedures for VMware environment.
Post-installation procedures	<a href="#">CPS Installation Guide for VMware</a>	Describes post-installation procedures. Refer to <a href="#">Adding Indexes for Geo Locations</a> section.
Configuration procedures	<a href="#">CPS ANDSF Configuration Guide</a>	Describes configuration procedures.
	<a href="#">CPS Mobile Configuration Guide</a>	Describes how to configure Domains. Refer to <a href="#">Domains</a> chapter.
	<a href="#">CPS CCI Guide for Full Privilege Administrators</a>	Describes how to manage subscribers and subscriber data for Full Privilege administrators.
	<a href="#">CPS CCI Guide for View Only Administrators</a>	Describes how to view subscriber data for View Only administrators.
Administration procedures	<a href="#">CPS ANDSF Configuration Guide</a>	Describes ANDSF features and usage procedures.
	<a href="#">CPS Operations Guide</a>	Describes administration procedures.
	<a href="#">CPS ANDSF SNMP and Alarms Guide</a>	Presents SNMP and alarms reference information.

Information Type	Document	Description
Troubleshooting information	<a href="#">CPS Troubleshooting Guide</a>	Presents troubleshooting information for known issues. Refer to <a href="#">Troubleshooting ANDSF</a> chapter.
Release Notes	<a href="#">CPS Release Notes</a>	Describes new and modified features and behavior changes, and lists resolved and open defects in this release.

## Light Weight Replication (LWR)

*Table 2: LWR Documentation Map*

Information Type	Document	Description
Overview information	<a href="#">CPS LWR Guide</a>	Provides an overview of LWR and use case information.
Installation procedures	<a href="#">CPS Installation Guide for OpenStack</a>	Describes installation procedures for OpenStack environment.
	<a href="#">CPS LWR Installation Guide for OpenStack</a>	Describes LWR-specific installation procedures for OpenStack environment.
	<a href="#">CPS Installation Guide for VMware</a>	Describes installation procedures for VMware environment.
	<a href="#">CPS LWR Installation Guide for VMware</a>	Describes LWR-specific installation procedures for VMware environment.
Configuration procedures	<a href="#">CPS LWR Guide</a>	Describes configuration procedures.
	<a href="#">CPS UDC API Reference</a>	Presents API reference information.
Administration procedures	<a href="#">CPS LWR Guide</a>	Describes administration procedures.
	<a href="#">CPS UDC SNMP and Alarms Guide</a>	Presents SNMP and alarm reference information.
Release Notes	<a href="#">CPS Release Notes</a>	Describes new and modified features and behavior changes, and lists resolved and open defects in this release.

## Mobile Orchestration Gateway (MOG)

*Table 3: MOG Documentation Map*

Information Type	Document	Description
Overview information	<a href="#">CPS MOG Guide</a>	Provides an overview of MOG and use case information.
Installation procedures	<a href="#">CPS MOG Installation Guide for OpenStack</a>	Describes installation procedures for OpenStack environment.
Post-installation procedures	<a href="#">CPS MOG Installation Guide for OpenStack</a>	Describes post-installation procedures.
Configuration procedures	<a href="#">CPS MOG Guide</a>	Describes configuration procedures.
Administration procedures	<a href="#">CPS MOG Guide</a>	Describes administration procedures.
	<a href="#">CPS MOG API Reference</a>	Presents API reference information.
	<a href="#">CPS MOG SNMP, Alarms, and Clearing Procedures Guide</a>	Presents SNMP and alarm reference information, and describes clearing procedures.
Troubleshooting information	<a href="#">CPS MOG Troubleshooting Guide</a>	Presents troubleshooting information for known issues.
Release Notes	<a href="#">CPS Release Notes</a>	Describes new and modified features and behavior changes, and lists resolved and open defects in this release.

## Policy Automation Testing System (PATS)

For PATS documentation, contact your Cisco Account Representative.

## Policy Charging and Relay Function (PCRF)

*Table 4: PCRF (CPS) Documentation Map*

Information Type	Document	Description
Overview information	<a href="#">CPS Mobile Configuration Guide</a>	Provides an overview of CPS and use case information.

Information Type	Document	Description
Installation procedures	<a href="#">CPS Installation Guide for OpenStack</a>	Describes installation procedures for OpenStack environment.
	<a href="#">CPS Installation Guide for VMware</a>	Describes installation procedures for VMware environment.
	<a href="#">CPS Migration and Upgrade Guide</a>	Describes migration and upgrade procedures.
Post-installation procedures	<a href="#">CPS Installation Guide for VMware</a>	Describes post-installation procedures.
	<a href="#">CPS Backup and Restore Guide</a>	Describes backup and restore procedures.
Configuration procedures	<a href="#">CPS Mobile Configuration Guide</a>	Describes how to configure CPS using Policy Builder.  You can use the web-based Policy Builder interface to configure policies.
	<a href="#">CPS CCI Guide for Full Privilege Administrators</a>	Describes how to manage subscribers and subscriber data for Full Privilege administrators.
	<a href="#">CPS CCI Guide for View Only Administrators</a>	Describes how to view subscriber data for View Only administrators.
	<a href="#">CPS Central Administration Guide</a>	Describes how to configure CPS using CPS Central.  You can use CPS Central to configure Policy Builder, manage custom reference table data, and launch CPS web-based applications and utilities.
	<a href="#">CPS Geographic Redundancy Guide</a>	Presents an overview of Geographic Redundancy (GR), and describes how install and configure GR.
	<a href="#">CPS Policy Reporting Guide</a>	Describes how to use Policy Reporting to export subscriber records.
	<a href="#">CPS Unified API Reference</a>	Presents API reference information.

Information Type	Document	Description
Administration procedures	<a href="#">CPS Operations Guide</a>	Describes operations and administration procedures.
	<a href="#">CPS SNMP, Alarms, and Clearing Procedures Guide</a>	Presents SNMP and alarms reference information, and describes clearing procedures.
Troubleshooting information	<a href="#">CPS Troubleshooting Guide</a>	Presents troubleshooting information for known issues.
Release Notes	<a href="#">CPS Release Notes</a>	Describes new and modified features and behavior changes, and lists resolved and open defects in this release.

## User Data Convergence (UDC)

*Table 5: UDC Documentation Map*

Information Type	Document	Description
Overview information	<a href="#">CPS UDC Administration Guide</a>	Provides an overview of UDC and use case information.
Installation procedures	<a href="#">CPS UDC Installation Guide</a>	Describes installation procedures.
	<a href="#">CPS UDC Administration Guide</a>	Describes upgrade procedures.
	<a href="#">CPS UDC Session Migration Guide</a>	Describes session migration procedures.
Configuration procedures	<a href="#">CPS UDC Administration Guide</a>	Describes configuration procedures.
	<a href="#">CPS UDC API Reference</a>	Presents API reference information.
Administration procedures	<a href="#">CPS UDC Administration Guide</a>	Describes administration procedures.
	<a href="#">CPS UDC SNMP and Alarms Guide</a>	Presents SNMP and alarm reference information.
Release Notes	<a href="#">CPS Release Notes</a>	Describes new and modified features and behavior changes, and lists resolved and open defects in this release.

## virtual Diameter Routing Agent (vDRA)

**Table 6: vDRA Documentation Map**

Information Type	Document	Description
Overview information	<a href="#">CPS vDRA Configuration Guide</a>	Provides an overview of vDRA and use case information.
Installation procedures	<a href="#">CPS Installation Guide for OpenStack</a>	Describes installation procedures for OpenStack environment.
	<a href="#">CPS vDRA Installation Guide for OpenStack</a>	Describes vDRA-specific installation procedures for OpenStack environment.
Configuration procedures	<a href="#">CPS vDRA Configuration Guide</a>	Describes configuration procedures.
Administration procedures	<a href="#">CPS vDRA Administration Guide</a>	Describes administration procedures.
	<a href="#">CPS vDRA Operations Guide</a>	Describes administration procedures.
	<a href="#">CPS vDRA SNMP and Alarms Guide</a>	Presents SNMP and alarm reference information.
Troubleshooting information	<a href="#">CPS vDRA Troubleshooting Guide</a>	Describes troubleshooting information for known issues.
Release Notes	<a href="#">CPS Release Notes</a>	Describes new and modified features and behavior changes, and lists resolved and open defects in this release.
