

使用软键查看SPA300/500系列IP电话上的网络配置

目标

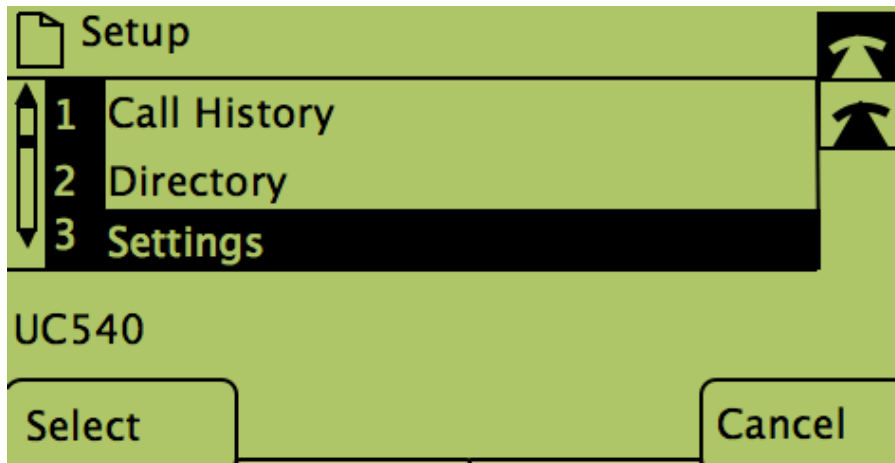

本文档介绍如何使用软键接口查看SPA300和SPA 500系列IP电话的网络配置。

适用设备

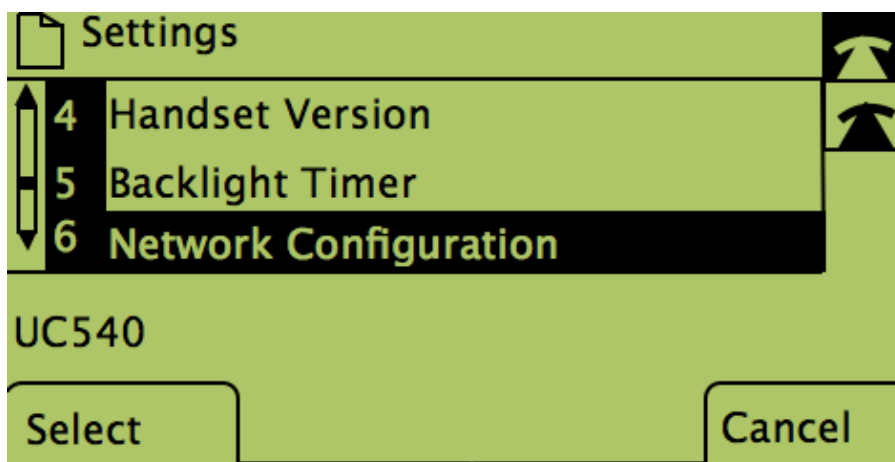

- SPA300系列IP电话
- SPA500系列IP电话

查看网络配置

步骤1.按Set Up软键。

步骤2.按软键进行设置。

步骤3.推送网络配置的软键。选择要查看的适当设置。

Network Configuration

1 WAN Connection Type
DHCP

2 DHCP Server

UC540

Cancel

A screenshot of a network configuration menu. The menu is titled "Network Configuration" and has a light blue background. It contains two main items: "1 WAN Connection Type DHCP" and "2 DHCP Server". The first item is highlighted with a dark blue background. To the left of the items is a vertical scrollbar. To the right of the items are two small icons of a network card. At the bottom right of the menu is a "Cancel" button. The device name "UC540" is displayed at the bottom left of the menu.
