Recent Calls List

Use the Recents list to see the 150 most recent individual calls and call groups.

If your Recents list reaches the maximum size, the next new entry overwrites the oldest entry in the list.

Calls in the Recents list are grouped if they are to and from the same number and are consecutive. Missed calls from the same number also get grouped.

If you use a hunt group, then note the following:

- If your phone is part of a broadcast hunt group, calls picked up by other members of the hunt group display in your call history as a Received call.
