1.5 jquery 1.12.3
1.5.1 Available under license :

jQuery is provided under the MIT license.

The code is hosted and developed in the jQuery GitHub repository. If you've spotted some areas of code that could be improved, please feel free to discuss it on the Developing jQuery Core Forum. If you'd like to participate in developing jQuery, peruse our contributor site for more information.

To find and download plugins developed by jQuery contributors, please visit the Plugins site. Plugin authors are responsible for maintenance of their plugins. Feedback on plugins should be directed to the plugin author, not the jQuery team.

1.6 Less 2.6.1
1.6.1 Available under license :

Less.js is released under the Apache 2 License (though there are plans to dual license it). Copyright 2009-2016, Alexis Sellier and the Less Core Team (see about). Boiled down to smaller chunks, it can be described with the following conditions.

It allows you to:

Freely download and use Less.js, in whole or in part, for personal, company internal or commercial purposes
Use Less.js in packages or distributions that you create
It forbids you to:

Redistribute any piece of Less.js without proper attribution
It requires you to:

Include a copy of the license in any redistribution you may make that includes Less.js
Provide clear attribution to The Less Core Team for any distributions that include Less.js
It does not require you to:

Include the source of Less.js itself, or of any modifications you may have made to it, in any redistribution you may assemble that includes it
Submit changes that you make to Less.js back to the Less.js project (though such feedback is encouraged)
The full Less.js license is located in the project repository for more information.
